PREAMBLE

Electronics & ICT Academy, Malaviya National Institute of Technology, Jaipur, Rajasthan (henceforth called- Academy) and the (Kommuri Pratap Reddy Institute of Technology), henceforth called Host-institution) here by agree to encourage academic and research cooperation. The host institution would join in efforts for hosting of NKN/VC based Faculty development programme for faculty of engineering/technology/other streams in furtherance of the development of learning as stipulated below.

1. OBJECTIVE AND SCOPE

Each Electronics and ICT Academy would focus on improving the quality of faculty of institutes and colleges in the respective states/UTs which would result in improvement of quality of students there by making them industry ready and employable in the ICT/ Electronics Manufacturing Industry.

Both the (Kommuri Pratap Reddy Institute of Technology) shall encourage cooperation between faculty/researchers of both the institutes for organizing the NKN/VC based faculty development programmes in the field of Electronics & ICT, especially ones that are recommended by Academic Council at Ministry.

Target Beneficiaries: Faculty / Mentors of Engineering, Science, Arts, Commerce colleges & Polytechnics of the respective/neighboring States/UTs. As an outcome of the faculty training, the graduates/ diploma passing out from their respective institutions would be benefitted.

2. IMPLEMENTATION OF THE PROGRAMME

Both the institutes acknowledge that the FDP will be organized with following guidelines, broadly, and shall comply with the regulations and policies of the (Kommuri Pratap Reddy Institute of Technology) and Malaviya National Institute of Technology Jaipur, Rajasthan, India.

Academy will strive to settle all the expenditures, upon receipt of Utilization Certificate duly sent through Head of institution after completion of NKN/VC FDPs.

A. Responsibility of Host Institute

1. Facilitating Lecture Hall with Audio Visual equipment & receiving of online Video lectures either through NKN or other VC methods
2. Facilitating Labs, Computers / Experiment kits
3. Marking attendance daily and Conduct of examination at the end of the course
4. Controlling Schedule and Time Table as provided
5. Preparing a summary report for MeitY – No of participants, states involved, No of women participants, No of participants for SC / ST category. Also, compiling feedback from participants (in case online feedback is not available from EICT Academy).
6. Receive DD for registration amount, preserve the same & return them to respective participant, only after completion of the FDP.

B. Responsibility of EICT Academy MNITJ

1. Providing virtual class-room connectivity assistance to host institution

2. Payment towards expenditures at host institution as indicated in Table
3. Providing / facilitating course material, assignments / quizzes
4. Other support activities as and when required

3. FUNDING

In furtherance of cause of research and education in multidisciplinary areas, the Academic council advised programmes will be hosted by host institution through NKN/VC facilities available.

S. No.	ROLE	Variable cost (Indicative only)	Honoraria/ Remuneration (5 days)/ (pro-rata for other # of days)	Remark
1	Coordinators at remote centre @500/- per participant after first 15 participants	2500 (for 5 more over 15 participants)	12500	2500 Per day for; To be shared if more than 1 Coordinator; max 25,000/-
				For hosting of lectures/ coordinating Lab-sessions
2	Lab Faculty/Lab-faculty-incharge		7500	Lumpsum for proper conduct/engagement of laboratory assignments (1500 Per day)
3	Lab Facility (technical/resource person/research-staff/student)		5000	Lumpsum
4	Institute overhead expenses (including any other expenses) Upto @20% of total cost	12100	--	Each individual EICT Academy may decide appropriate amount/rate but maximum is 20%
5	NKN/VC Facility (Faculty I/C, technical/resource person etc.)		5000	Lumpsum
				Also applicable for EICT or NKN Staff whenever, it is overhead/ overtime beyond their normal duties
Sub-Total		14600	30000	
7	Food expenses @250/- per participant	25000		250 Per Participant per day; typically 20 participants (Min. 15 Participants). Academy may take a decision on lower number based on certain constraints like geography, examinations etc. Financial limits per participants expenditure may also be kept in view;
				150 Per Participant; typically 20 participants
8	Registration kit- Pad/pen, banner, printing & misc @150/- per participant	3000		
9	Hardware Board, worth Rs. 500/- or less per participant (to be retained by the remote center)	10000		500 -expenditure per participants, for 20 participants (Book to be given to participants; Hardware will be given to the Institute); Min. required participants for this type of FDPs are 24
Total- Overall		52600		Typical expenditure for 20 participants
			82600	

Contributions: EICT Academy MNITJ 100%

4. Remote Centre Programme Coordinator(s)

Institution hosting NKN-VC based programmes will have programme coordinator(s) identified for a specific programme. The Coordinator will plan and implement the activities of the NKN-based FDP.

Annexure

Background:

The approval for setting up of Electronics and ICT Academies at IIT Kanpur, IIT Roorkee and MNIT Jaipur has already been issued by Ministry of Electronics & IT (Govt. of India) vide Administrative Approval No. 3(6)/2012-HRD(Vol.V)(Pt.), dated 09.11.2015

In order to facilitate the growth of IT/ITeS, Electronics Manufacturing industry the growth of entire spectrum of ICTE Industry as a whole is essential so that a sustainable global market share could be carved out for India. For sustaining the growth of the IT-BPO industry, IT Hardware and Electronics Manufacturing industry, availability of properly trained, skilled and qualified manpower is essential.

The requirements in the areas of ICTE sector are unique as it has a very high degree of obsolescence of existing technologies and faster emergence of newer technologies that would require a shorter cycle of updation of curricula and launching of new courses, etc. Further, the quality of R&D is the weakest link for the IT and Electronics manufacturing Sector. Quality PhDs generated in IT / Computer Science is very low.

This emphasizes on the need for a focused faculty training/updation programme for IT, Electronics and related sectors. At present the initiatives taken by the Government through the UGC, AICTE, etc. for faculty updation are generic and holistic in nature and do not specifically focus on the emerging requirement of ICTE sector.

The above mentioned aspects have been addressed through launching a scheme for setting up of Electronics and ICT Academy at IITs, IIITs, NITs, etc. in the select Seven(07) States / UT's by the respective State Governments/UTs with financial assistance from Central Government- IIT Kanpur, IIT Guwahati, IIT Roorkee, MNIT Jaipur, NIT Warangal, NIT Patna and IIITDM, Jabalpur. This would ensure a wider spreading up of quality faculty development and continuous updation of faculty in an all-inclusive manner leading to an overall improved employability of the graduates at various levels in the academic institutions.

Academic Council has provided mandate to all seven academies to jointly organize FDPs and multicast through NKN/VC for benefit of participants. The FDPs multicast would be received at different institutions/centres including CDAC/NEILIT etc. (called remote centres) where faculty participants from nearby educational institutions would join at these remote centres without entailing much travel.

Respected Sir/Madam,

Sub: Request for Proposal and project plan for **DRUNK DRIVING & RASH DRIVING CHECKER**-Consultancy work- -Reg.

About US:

SRK Bus Service & Tourist Travels is one of the highly dedicated bus service providers of Andhra Pradesh state, providing hassles-free services to the benefit of many. In order to strengthen the technological needs SRK Bus Service & Tourist Travels started the initiation of Memorandum of Understanding (MoU) with both the industries and other educational institutes. And, one of the educational institutes in this regard is Kommuri Pratap Reddy Institute of Technology.

The Scope of the work: The scope of this assignment includes DRUNK DRIVING & RASH DRIVING CHECKER.

Brief List of deliverables includes:

Design & Develop a prototype

- Design & provide device to check Driver for drunk & Rash drive.
- Alert information to Central Room.

Request for Consultation work:

It is our pleasure to invite the experienced faculty members of your college for the work "DRUNK DRIVING & RASH DRIVING CHECKER". The faculty members will get involved in the development of speed check to detect rash driving for vehicles.

Looking forward for your early reply.

About R&D & Consultancy Services by KOMMURI PRATAP REDDY INSTITUTE OF TECHNOLOGY:

Kommuri Pratap Reddy Institute of Technology was started in the year 2008. The college is affiliated to JNTUH. The college constitutes of five engineering departments: Electronics & Communication Engineering (ECE), Electrical & Electronics Engineering (EEE), Computer Science Engineering (CSE), Civil Engineering (CE) and Mechanical Engineering (ME). Kommuri Pratap Reddy Institute of Technology Faculty has expertise in various research areas of interest to the industry. The institute, through departmental research groups, encourages its faculty to undertake R&D and consultancy work through which the faculty contributes toward the industrial growth, strengthen institute-industry interface and inter-institute interface and to enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry/government/private bodies to undertake R&D and consultancy projects with specific problem, which are of both short and long duration. Broadly, the types of consultancy services being offered by the engineering departments of the college are as follows:

- Analytical studies & Cause-and -remedy studies
- Design of systems/components/processes
- Development & Testing of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Development of laboratories
- Validation of designs/drawings
- Development of course materials for engineering subjects

It is our pleasure to accept your invitation and thankful to SRK Bus Service & Tourist Travels for inviting us to carry out the consultancy work. We request your representatives to visit our campus for further discussions and negotiations.

Waiting for your early response.

Subject: Proposal for undertaking the Funding Project

Sir/Madam,

I am glad to forward herewith a proposal for undertaking sponsored project titled "IoT based Real Time Voice Controlled and Head Movement Based Wheelchair for Multimodal Applications", at a total cost of Rs 9.00 Lakhs (Rupees Nine Lakhs only). The project is proposed to be completed over a period of 36 months.

1. Professor Dr.S.Sreenath Kashyap, who is working as Professor in this institution will be the Project Director/ Principal Investigator.
2. I certify that this institution will provide all the facilities and infrastructure for the completion of the project as follows:
 - a) This proposal or other similar proposal has not been submitted to any other agency/ Department for funding.
 - b) The Project Director/ Principal Research Investigator will continue to work in the institution till the completion of the project. In case the Project Director leaves without completing the project, the institution will take full responsibility to complete the project as per the existing terms and conditions.
 - c) The institution will take full responsibility for monitoring the progress of the project, sending progress reports and utilization certificates, etc. and ensuring proper and timely implementation.
3. It is requested that the project proposal may be considered favorably for providing financial assistance of Rs 9.00 Lakhs.

About R&D & Consultancy Services by KOMMURI PRATAP REDDY INSTITUTE OF TECHNOLOGY:

Kommuri Pratap Reddy Institute of Technology was started in the year 2008. The college is affiliated to JNTUH. The college constitutes of five engineering departments: Electronics & Communication Engineering (ECE), Electrical & Electronics Engineering (EEE), Computer Science Engineering (CSE), Civil Engineering (CE) and Mechanical Engineering (ME). Kommuri Pratap Reddy Institute of Technology Faculty has expertise in various research areas of interest to the industry. The institute, through departmental research groups, encourages its faculty to undertake R&D and consultancy work through which the faculty contributes toward the industrial growth, strengthen institute-industry interface and inter-institute interface and to enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry/government/private bodies to undertake R&D and consultancy projects with specific problem, which are of both short and long duration. Broadly, the types of consultancy services being offered by the engineering departments of the college are as follows:

- Analytical studies & Cause-and -remedy studies
- Design of systems/components/processes
- Development & Testing of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Development of laboratories
- Validation of designs/drawings
- Development of course materials for engineering subjects

It is our pleasure to accept your invitation and thankful to CODE KINDLE for inviting us to carry out the consultancy work. We request your representatives to visit our campus for further discussions and negotiations.

Waiting for your early response.

Subject: Proposal for undertaking the Funding Project

Sir/Madam,

I am glad to forward herewith a proposal for undertaking sponsored project titled "An Efficient Implementation of Data Encryption Standard", at a total cost of Rs 8.50 Lakhs (Rupees Eight Lakhs Fifty Thousand only). The project is proposed to be completed over a period of 24 months.

1. Professor Dr.S.P. Venu Madhava Rao, who is working as Professor in this institution will be the Project Director/ Principal Investigator.

2. I certify that this institution will provide all the facilities and infrastructure for the completion of the project as follows:

- a) This proposal or other similar proposal has not been submitted to any other agency/ Department for funding.
 - b) The Project Director/ Principal Research Investigator will continue to work in the institution till the completion of the project. In case the Project Director leaves without completing the project, the institution will take full responsibility to complete the project as per the existing terms and conditions.
 - c) The institution will take full responsibility for monitoring the progress of the project, sending progress reports and utilization certificates, etc. and ensuring proper and timely implementation.
3. It is requested that the project proposal may be considered favorably for providing financial assistance of Rs 8.50 Lakhs.

Subject: Proposal for undertaking the Funding Project

Sir/Madam,

I am glad to forward herewith a proposal for undertaking sponsored project titled "Archiving Efficient and secure data acquisition for cloud supported internet of things in smart grid", at a total cost of Rs 8.50 Lakhs (Rupees Eight Lakhs Fifty Thousand only). The project is proposed to be completed over a period of 24 months.

1. Professor Dr. Sarat Chadra Nayak, who is working as Professor in this institution will be the Project Director/ Principal Investigator.
2. I certify that this institution will provide all the facilities and infrastructure for the completion of the project as follows:
 - a) This proposal or other similar proposal has not been submitted to any other agency/ Department for funding.
 - b) The Project Director/ Principal Research Investigator will continue to work in the institution till the completion of the project. In case the Project Director leaves without completing the project, the institution will take full responsibility to complete the project as per the existing terms and conditions.
 - c) The institution will take full responsibility for monitoring the progress of the project, sending progress reports and utilization certificates, etc. and ensuring proper and timely implementation.
3. It is requested that the project proposal may be considered favorably for providing financial assistance of Rs 8.50 Lakhs.

About R&D & Consultancy Services by KOMMURI PRATAP REDDY INSTITUTE OF TECHNOLOGY:

Kommuri Pratap Reddy Institute of Technology was started in the year 2008. The college is affiliated to JNTUH. The college constitutes of five engineering departments: Electronics & Communication Engineering (ECE), Electrical & Electronics Engineering (EEE), Computer Science Engineering (CSE), Civil Engineering (CE) and Mechanical Engineering (ME). Kommuri Pratap Reddy Institute of Technology Faculty has expertise in various research areas of interest to the industry. The institute, through departmental research groups, encourages its faculty to undertake R&D and consultancy work through which the faculty contributes toward the industrial growth, strengthen institute-industry interface and inter-institute interface and to enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry/government/private bodies to undertake R&D and consultancy projects with specific problem, which are of both short and long duration. Broadly, the types of consultancy services being offered by the engineering departments of the college are as follows:

- Analytical studies & Cause-and -remedy studies
- Design of systems/components/processes
- Development & Testing of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Development of laboratories
- Validation of designs/drawings
- Development of course materials for engineering subjects

It is our pleasure to accept your invitation and thankful to Hebeon Technologies for inviting us to carry out the consultancy work. We request your representatives to visit our campus for further discussions and negotiations.

Waiting for your early response.

Respected Sir/Madam,

Sub: Request for Proposal and project plan for **BUS TRACKER APPLICATION - Consultancy work- -Reg.**

About US:

SRK Bus Service & Tourist Travels is one of the highly dedicated bus service providers of Andhra Pradesh state, providing hassles-free services to the benefit of many. In order to strengthen the technological needs SRK Bus Service & Tourist Travels started the initiation of Memorandum of Understanding (MoU) with both the industries and other educational institutes. And, one of the educational institutes in this regard is Kommuri Pratap Reddy Institute of Technology.

The Scope of the work: The scope of this assignment includes detection of Tracking Application of Buses.

Brief List of deliverables includes:

Design & Develop a prototype

- Develop a application to track Buses
- Alert the central system in case of mischap/missing violation using GPS system to mobile.
- Communication to concerned Vehicle

Request for Consultation work:

It is our pleasure to invite the experienced faculty members of your college for the work "BUS TRACKER APPLICATION". The faculty members will get involved in the development of speed check to detect rash driving for vehicles.

Looking forward for your early reply.

Sub : Intimation – Date of commencement of Project – Reg.

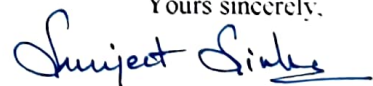

Ref : AP/2016-05/KPRIT/2.

Dear Sir,

I wish to thank profusely and acknowledge with deep gratitude for sponsoring project by AP ANTENNA PRODUCTS PVT LTD. The financial sanction letter dated 10/06/2016 was received on 12/06/2016. Initial release of fund of an amount 3 lakhs (rupees three lakhs only) through cheque dated 10/06/2016 has been received on 12/06/2016 and deposited on 12/06/2016. Hence, would like consider the 16/06/2016 as the project starting date. The following are the particulars of the project.

Starting date	16/06/2016
Title	Design and Implementation of New Human Voice Recognition System Using Graphical User Interface for Robotics Applications
Name of the Principal Investigator	Dr. Sanjeet K Sinha, Professor, ECE dept., KPRIT College, Hyderabad.
Name of the Co-Investigator	M. Srilekha
Funding	5.75 Lakhs
Duration	2 years

Yours sincerely,

About R&D & Consultancy Services by KOMMURI PRATAP REDDY INSTITUTE OF TECHNOLOGY:

Kommuri Pratap Reddy Institute of Technology was started in the year 2008. The college is affiliated to JNTUH. The college constitutes of five engineering departments: Electronics & Communication Engineering (ECE), Electrical & Electronics Engineering (EEE), Computer Science Engineering (CSE), Civil Engineering (CE) and Mechanical Engineering (ME). Kommuri Pratap Reddy Institute of Technology Faculty has expertise in various research areas of interest to the industry. The institute, through departmental research groups, encourages its faculty to undertake R&D and consultancy work through which the faculty contributes toward the industrial growth, strengthen institute-industry interface and inter-institute interface and to enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry/government/private bodies to undertake R&D and consultancy projects with specific problem, which are of both short and long duration. Broadly, the types of consultancy services being offered by the engineering departments of the college are as follows:

- Analytical studies & Cause-and -remedy studies
- Design of systems/components/processes
- Development & Testing of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Development of laboratories
- Validation of designs/drawings
- Development of course materials for engineering subjects

It is our pleasure to accept your invitation and thankful to SRS Technologies for inviting us to carry out the consultancy work. We request your representatives to visit our campus for further discussions and negotiations.

Waiting for your early response.
