Dear Dr. Sreenath,

As discussed over phone, you are requested to fill up the Expression of Interest (EOI) (format is attached). Get the seal/signatures of the Head of Institution and submit the hard copy to our address below.

Meanwhile, please send the scanned copy of the EoI at the earliest so that we can add your institute to our list of remote centers.

Details of the courses will be shared shortly.

Warm Regards

Dear remote center coordinators,

Audio/Video Connectivity Testing is scheduled **tomorrow (3rd Jan. 2020)** within time slot **3 - 4:30 PM.**

Kindly note down following dialing details:

For Hardware / VC System user:

Private IP : 10.199.27.18
Public IP : 164.100.103.39
Code : 11019

For Webroom User:

Please join by clicking following link:

<https://desktopvc.nic.in/flex.html?roomdirect.html&key=P81t8NW4vg>

This will install a client and ask for user name and password, just close that VidyoDesktop window and click the above link again, it will open similar window in the browser, you may fill the name of your college and join the conference.

(Open this web link in Internet Explorer or Firefox Browser if doesn't work well with Google Chrome or edge)

Code : 11019

Code will be the same for both Hardware device/Webroom.

For any Technical help you can contact NIC Delhi on : 011-24305791

Also it is observed that total logins are exceeding 50 and several multiple logins are attempting from single site only causing Unavailability of weblink for others. This is strictly discouraged else we've to disconnect multiple logins from our end since total ports connected are exceeding the permissible limits.

Dear remote center coordinators,

1. Final list of participants in the course "ICT Tools for Teaching, Learning process & Institutes" (13 - 17 Jan. 20)" is attached (**Sheet1**). As per the list following no. of participants are registered at individual centers. All remote centers (**RC**) are requested to fill the last column (**Total Attended**) in **sheet2**.

S No	Name	Total Registered	Total Attended
1	ABES Engineering College, Ghaziabad	48	
2	AVPTI Rajkot	28	
3	C V Raman College of Engineering, Bhubaneswar	43	
4	CMR Technical Campus, Medchal Hyderabad	98	
5	College of Engineering and Technology, Bhubaneswar	84	
6	Engineering College Bikaner	42	
7	Government Engineering College Ajmer	54	
8	IET, B. R. Ambedkar University, Khandari Agra	33

15	SR Group of Institutions, Jhansi	54	
16	Sreenidhi Institute of Science and Technology, Hyderabad	36	
17	Sreyas Institute Of Engineering & Technology, Bandlaguda, Nagole, Hyderabad	61	
	No Remote Center Selected	27	

2. Many participants have not chosen any remote center, we have total 27 participants who have not selected any remote center. Remote center coordinators are requested to find missing participants (who are registered but not in the list of their RC) in the list with **blank** "RC".

3. We have observed that many participants have registered in the course but participants really attending the course (as seen in the video/photo shared over WhatsApp) are very few. You are requested to submit list of participants **attending the FDP regularly** (name of the participants who are absent, most of the time based on their attendance, must be deleted) in **excel format only** (with at-least three columns "**Ref. No.**", "**Name**" and "**Organization**") **before lunch time tomorrow 15th Jan.** (lunch time 1 PM) **by replying to this email only**. This will enable us to send the certificates next day (16th Jan.), which you can print and distribute to the participants on last day (17th. Jan.).

4. Many participants have written short names of their organizations and many have written name of organization in different manner while registering, therefore, same will come in the certificate, will they accept? This is the responsibility of remote center coordinators to consult registered participants and make appropriate corrections (in "Name" and "Organization" as needed in Certificate) before sending the list (in

excel format only). Please also maintain uniformity in the name of Institutes, an Institute's name should be exactly same for all related participants . No request of corrections may be entertained if reported later on.

5. All remote centers need to send scanned copy of attendance everyday and combined (for all 5 days) on the last day for verification.

6. Remote centers having UG/PG students as participants are reminded that no finances are available for students, however, certificate of participation may be awarded to them.

Dear Sir/ Madam,
Greetings of the Day !!

We are proud to announce that a Five Days ***FDP on "AI and Machine Learning" during December 23-27, 2019 at Kommuri Pratap Reddy Institute of Technology, Hyderabad*** in association with Electronics and ICT academy, MNIT Jaipur.

The participating faculty can attend live lectures, given by experts from IIT / NIT faculty members & Industry members, through A-View Mechanism. Furthermore, the participants can also interact with the experts.

Interested Participants need to do the Course Registration process. Please follow the steps as specified below:

1. Click on the following link <http://online.mnit.ac.in/eict/clogin.php>
2. Please do the registration by using your Email ID. The password will be sent on this email.
3. Fill registration form details.
4. After registration, select course(s) for registration & remote center as ***Kommuri Pratap Reddy Institute of Technology, Hyderabad***.
5. Pay online fee, after course registration. (Participants can give cheque or DD).
6. Upload scanned copy of DD or cheque in favor of "Electronics and ICT Academy, MNIT Jaipur" Payable at Jaipur.
7. This DD/Cheque will be RETURNED on the last day of FDP after completion of the course.

8. Please do not use any special characters like colon (:), semicolon (;), single quote ('), double quote ("), etc in your text. Use of such special characters is prohibited in the online forms.

We request you to kindly depute faculty members from your department/institution for the above Programme.

Dear remote center coordinators,

1. Final list of participants in the course "AI and Machine Learning (23 - 27 Dec. 19)" is attached (**Sheet1**). As per the list following no. of participants are registered at individual centers. All remote centers (**RC**) are requested to fill the last column (**Total Attended**) in **sheet2**.

S No	Name	Total Registered	Total Attended
1	CMR Technical Campus, Medchal Hyderabad	93	
2	DVR & Dr. HS MIC College of Technology, Kanchikacherla, AP	80	
3	Engineering College Bikaner	25	
4	IET, B. R. Ambedkar University, Khandari Agra	38	
5	Institute of Technology & Engineering, Indus University, Ahmedabad	25	
6	Kommuri Pratap Reddy Institute of Technology, Hyderabad	26	
7	MBM Engineering College, Jodhpur	35	
8	Muthayammal Engineering College, Namakkal, Tamilnadu	42	
9	PSG College of Technology Coimbatore	69	
10	Punjab Engineering College, Chandigarh	23	
11	Sobhasaria Group of Institutions, Sikar	64	
12	Sreenidhi Institute of Science & Technology, Hyderabad	79	
13	Sreyas Institute of Engineering & Technology, Bandlaguda, Hyderabad	49	
	No Remote Center Selected	59	

2. Many participants mostly from "DVR & Dr. HS MIC College of Technology, Kanchikacherla, Krishna, Andhra Pradesh" and some from "Sreenidhi Institute of Science & Technology" have not chosen any remote center, we have total 59 participants who have not selected any remote center. Remote center coordinators are requested to find missing participants (who are registered but not in the list of their RC) in the list with **blank "RC"**.

3. You are requested to submit list of participants **attending the FDP** (name of the participants who are absent (most of the time) must be deleted) in **excel format only** (with at-least three columns "**Ref. No.**", "**Name**" and "**Organization**") **before end of the day 25th Dec. by replying to this email only**. This will enable us to send the certificates next day (26th Dec.), which you can print and distribute to the participants on last day (27th. Dec.).

4. Many participants have written short names of their organizations and many have written name of organization in different manner while registering, therefore, same will come in the certificate, will they accept? This is the responsibility of remote center coordinators to consult registered participants and make appropriate corrections (in "Name" and "Organization" as needed in Certificate) before sending the list (in excel format only). No request of corrections may be entertained if reported later on.

5. All remote centers need to send scanned copy of attendance (for all 5 days) on the last day for verification.

6. Remote centers having UG/PG students as participants are reminded that no finances are available for students, however, certificate of participation may be awarded to them.

Dear Remote Center Coordinators,

Thanks for hosting our courses at your center.

We are now accepting UC-SoA forms from all the remote centers. You are requested to submit UC-SoA (format is attached) for the course "AI & Machine Learning (23 – 27 Dec. 2019)" with refreshment bills.

1. Instructions to fill the UC-SoA correctly are given inside sticky notes in attached UC-SoA file. Please read those sticky notes carefully before filling the form as incorrect form may not be accepted. As a check for correct form filling; Total amount in componentwise utilization of grants must match with amount in column 6 of page 1, and the amount in column 7 of page 1 must match with amount in last column of last row of page 3. You may also send the scanned copy to verify before posting the hardcopy. If you have any query please reply back to this email only.

2. Kindly take print-out of UC-SoA on the Institute Letter Head (if Available) and fill that out by hand using blue/black ink pen. Please delete those sticky notes before printing the hard copy as those symbols may also get printed (depending upon PDF settings)

3. As informed earlier, finances are available for Faculty and Research Scholars only, therefore please pick no. of trained participants (excluding students) at your center in the matrix below to calculate maximum expenses for refreshments to be put in the column "Project Outlay".

AI & Machine Learning	No. of Faculty / Research Scholars attended	Advance Amount Transferred								Abbreviation

05 August 2019

Dear Sir/Madam,

Greetings from IIT Bombay!

We are glad to announce a **One Day Linux workshop for Teachers**. This is being organised by the Teaching Learning Centre (ICT) at IIT Bombay, funded by the *Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT)*, an initiative of the Ministry of Human Resource Development, Government of India. I am writing this mail to invite you to attend this workshop at a Remote Centre convenient to you.

Details of the current programme are given below:

Workshop Name: One Day **Linux** workshop for Teachers

Who can attend? Teachers (both college and school), and Research Scholars

Date: Friday, 23 August 2019

Venue: 130+ Remote Centres of ours, a list of which is available through this link <https://tinyurl.com/y2qu7l6t>.

How the workshop will be conducted:

It will be a one day workshop, on **23 August 2019**. We will interact live through A-VIEW at the beginning of the day. After that, one will learn Linux using spoken tutorials, guided by the Course Coordinator in the Remote Centre one attends. The efficacy of this method is explained in this TEDx Talk: <https://tinyurl.com/y26na736>. We will answer questions of participants, if any, using a Forum, especially designed for distributed learning. In the evening, we shall connect through A-VIEW again, carry out discussions and end the programme. There will be about 4 to 5 hours available for Linux training and two hours for interactions. A detailed schedule of the programme will be made available later.

All interested have to pay **Rs. 100** each as a course fee to IIT Bombay at the time of registration, and **Rs. 400** each to the Remote Centre, directly at the time of the workshop, using which, they will provide lunch and coffee/tea/snacks. Balance amount, if any, will be used by the Remote Centre to pay for the maintenance of their infrastructure.

Procedure to participate in the workshop:

To participate in this workshop, one has to register at <https://www.it.iitb.ac.in/nmeict/> and follow the instructions. The registration portal will open on **05 August 2019, 2.00 pm** and will close on **22 August 2019, at 12:30 pm**.

Please feel free to bring this information to the attention of your colleagues and friends, anywhere in India, and encourage them to join. Please note that this workshop will be useful to teachers of schools as well, and hence they are most welcome to attend it.

We look forward to your enthusiastic participation in this initiative.

Regards,

Prof. Kannan Moudgalya
PI, TLC (ICT), PMMMMNMTT

Faculty Development Program on Outcome Based Education

FACULTY DEVELOPMENT PROGRAMME (FDP) ON

OUTCOME BASED EDUCATION

(29th June- 05th July, 2018)

Organized by

KOMMURI PRATAP REDDY INSTITUTE OF TECHNOLOGY-HYDERABAD

in association with

E & ICT Academy, National Institute of Technology, Warangal.

(Sponsored by Ministry of Electronics and Information Technology (MeitY), GOI)

Preamble:

"Electronics & ICT Academy" was set up at NIT Warangal with financial assistance from MeitY, Gol. The jurisdiction of this academy is Telangana, Andhra Pradesh, Karnataka, Goa, Puducherry and Andaman & Nicobar Islands. This academy role is to offer faculty development programmes in standardized courses and emerging areas of Electronics, Information Communication Technologies, training & consultancy services for Industry, Curriculum development for Industry, CEP for working professionals, Advice and support for technical incubation and entrepreneurial activities.

About the Workshop:

Teachers in Engineering and Science disciplines in higher education usually join the teaching profession without any formal training in teaching methodology and learning psychology. Incidentally they develop teaching skills out of their own experiences or from experiences shared by colleagues in course of their teaching career. Most often, they are also influenced by the ways in which their teachers taught them. Pedagogy in higher education has undergone revolutionary changes in the past few decades. Traditional methods of lecturing have become obsolete in today's scenario where Outcomes Based Education and Student Centered Teaching has become order of the day. Further, emergence of a plethora of ICT tools and their usage in Teaching-Learning Process has been redefining the role of a teacher from a mere provider of information to a facilitator of learning.

Major Course Contents:

- Class handling
- Teaching/Learning Tools
- Outcome Based Education
- Pedagogy Tool Demo
- Creating Learner centric environment
- Assessment Tools
- Active Learning Methods
- Essence of effective teaching
- OBE/NBA Guidelines
- Learning Taxonomies
